## **The Story of Inyo (Classic Reprint)** Willie Arthur Chalfant

American State. The easy-going romantic years of Mexican rule, the padres, the Argonauts, the golden era, the wonders of this Empire of the West, have had generous attention from both masters and amateurs in prose and poetry, fact and fiction. The flood of writing hardly diminishes, for magazine literature and still more books add to it month by month. Yet few of the writers on California subjects look outside of the boundaries coined by a phrase-making politician, from Siskiyou to San Diego, from the Sierras to the sea. Even such historians as Bancroft and Hittell deemed it hardly worth their while to inquire into the annals of the borderlands, though the wilds were conquered through many hardships and wars bloodier than some on which volumes have been written. Those who ventured into the unknown regions seldom thought it worth while to set down for the future any extended record of their trials and achievements. While they lived history, it all came to them as part of the days
