Toronto's Many Faces (Canadian Bed & Breakfast Guide)

Tony Ruprecht

Toronto's Many Faces (Canadian Bed & Breakfast Guide) Tony Ruprecht

Designed for residents, newcomers, and tourists alike, Toronto's Many Faces is an indispensable guide to the history, museums, restaurants, shops, festivals, monuments, media and prominent citizens of more than 60 cultural communities in the city. The book identifies each community - where its people come from, why, when and where they settled in the city which has long prided itself on being one of the most culturally and ethnically diverse in North America. The contributions of each community to the commercial development and cultural life of Toronto is traced, with biographical notes on those prominent individuals whose contributions have made this city what it is today. The book identifies places of special interest to visitors and tourists, including monuments, memorials, theatres, museums, cultural centres, and restaurants.
