Wrong About Japan

Peter Carey

Wrong About Japan Peter Carey

Previous winner of two Booker Prizes, Peter Carey expands his extraordinary achievement with each new novel — but now gives us something entirely different.

When famously shy Charley Carey becomes obsessed with Japanese manga and anime, Peter is not only delighted for his son, but entranced himself. Thus, with a father sharing his twelve-year-old's exotic comic books, begins a journey that will lead them both to Tokyo, where a strange Japanese boy will become both their guide and judge. The visitors quickly plunge deep into the lanes of Shitimachi — into the “weird stuff” of modern Japan — meeting manga artists and anime directors, “visualists” who painstakingly impersonate cartoons, and solitary “otakus” who lead a computerized existence. What emerges from these encounters is a pithy, far-ranging study of history and culture both high and low — from samurai to salaryman, from kabuki theatre to the post-war robot craze. Peter Carey’s observations are provocative, even though his hosts often point out, politely, that he is wrong about Japan. In adventures that are comic, surprising, and ultimately moving, father and son cope with and learn from each other in a place far from home.

“*No Real Japan,*” said Charley. “*You’ve got to promise. No temples. No museums.*”

“*What could we do?*”

“*We could buy cool manga.*”

“*There’ll be no English translations.*”

“*I don’t care. I’d eat raw fish.*”

Third, it is possible to share your knowledge to other people. When you read this Wrong About Japan, you could tells your family, friends as well as soon about yours guide. Your knowledge can inspire others, make them reading a book.

Dominique Rigney:

Reading can called imagination hangout, why? Because when you find yourself reading a book specially book entitled Wrong About Japan your brain will drift away trough every dimension, wandering in most aspect that maybe unfamiliar for but surely might be your mind friends. Imaging just about every word written in a e-book then become one type conclusion and explanation this maybe you never get before. The Wrong About Japan giving you a different experience more than blown away your thoughts but also giving you useful details for your better life on this era. So now let us explain to you the relaxing pattern at this point is your body and mind will likely be pleased when you are finished examining it, like winning a sport. Do you want to try this extraordinary wasting spare time activity?

Elizabeth Brown:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's internal or real their hobby. They just do what the educator want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Wrong About Japan can make you really feel more interested to read.
