After battling a long illness, Peter Stewart's daughter, Austin, finds herself in a nightmarish addiction that thrusts her and her family into a world they never imagined.

As she buries herself deeper and deeper into the narcotics culture of shameless selfishness and deeply personal manipulation, Peter's unwavering hope for her drives a wedge between him and the less forgiving family members.

But when Austin finally chooses to embrace all that the life of addiction offers, Peter is forced to choose between his faith and a family too broken to hope.
