Five Summers

Una LaMarche

Five Summers Una LaMarche

Bittersweet, funny, and achingly honest, *Five Summers* is a story of friendship, love, and growing up that is perfect for fans of Ann Brashare's *The Sisterhood of the Traveling Pants* and Judy Blume's *Summer Sisters*.

Four best friends, five summers of camp memories

Emma, Skylar, Jo and Maddie have all come back to camp for a weekend of tipsy canoe trips to the island, midnight skinny dipping in the lake, and an epic game of capture the flag--boys versus girls. But the weekend isn't quite as sunwashed as they'd imagined as the memories come flooding back...

The summer we were nine: Emma was branded “Skylar’s friend Emma” by the infamous Adam Loring . . .

The summer we were ten: Maddie realized she was too far into her lies to think about telling the truth . . .

The summer we were eleven: Johanna totally freaked out during her first game of Spin the Bottle . . .

The summer we were twelve: Skylar’s love letters from her boyfriend back home were exciting to all of us—except Skylar . . .

Our last summer together: Emma and Adam almost kissed. Jo found out Maddie’s secret. Skylar did something unthinkable...and whether we knew it then or not, five summers of friendship began to fall apart.

A young adult book with a friendship story that will last long after the last s'more is gone.

Loren Hatmaker:

You are able to spend your free time to learn this book this reserve. This Five Summers is simple to develop you can read it in the park, in the beach, train as well as soon. If you did not get much space to bring often the printed book, you can buy the actual e-book. It is make you simpler to read it. You can save typically the book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

Sylvia Grable:

Do you like reading a e-book? Confuse to looking for your favorite book? Or your book ended up being rare? Why so many query for the book? But just about any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but novel and Five Summers or even others sources were given knowledge for you. After you know how the fantastic a book, you feel would like to read more and more. Science guide was created for teacher as well as students especially. Those ebooks are helping them to increase their knowledge. In additional case, beside science book, any other book likes Five Summers to make your spare time considerably more colorful. Many types of book like here.

Alberto Turcotte:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Five Summers can make you truly feel more interested to read.
