About 'Frankenstein' by Mary Shelley

Frankenstein; or, The Modern Prometheus, is a novel written by English author Mary Shelley about the young student of science Victor Frankenstein, who creates a grotesque but sentient creature in an unorthodox scientific experiment. The story begins by telling of his childhood. Born in Naples, into a wealthy Geneva family, Victor and his brothers, Ernest and William, are encouraged to seek a greater understanding of the world through science. As a young boy, Victor is obsessed with studying outdated theories that focus on simulating natural wonders.
