Wouldn't it be great to go back in time to before Pam got pregnant, before Patrick left for the University of Chicago—before anyone was making any big decisions about sex or college or life in general? Wouldn't it be great to get everyone together again, just once? But a funeral is not a happy reunion, and the events that cause it will change Alice and her friends forever. Full of life—the good, the bad, and the heartbreaking—*Intensely Alice* reminds readers just how much can change in an instant.
