**Pest Control** Bill Fitzhugh  
PROFESSIONAL EXTERMINATOR  
FIFTEEN YEARS FIELD EXPERIENCE!  
GONE PRIVATE WITH LETHAL NEW  
CONCEPT! NO PEST LEFT ALIVE!

Bob Dillon just can't get a break. A down-on-his-luck exterminator, all he wants is his own truck with a giant fiberglass bug on top--and success with his radical new, environmentally friendly pest killing technique. So Bob decides to advertise.

Unfortunately, one of his flyers falls into the wrong hands. Marcel in Paris needs an assassin to handle a million dollar assignment, and he figures that Bob Dillon's his man. Through no fault--or participation--of his own, an unwitting bug-killer from Queens has become a major player in the shady world of contract murder. And now he's running for his life through the wormiest sections of the Big Apple--one step ahead of a Bolivian terminator, a homicidal transvestite dwarf, meat-headed CIA agents, cabbies packing serious heat...and the world's greatest hit man, who might just turn out to be the best friend Bob's got.

### **From reader reviews:**

#### **Richard Glass:**

Do you considered one of people who can't read pleasurable if the sentence chained in the straightway, hold on guys this specific aren't like that. This Pest Control book is readable by you who hate those perfect word style. You will find the information here are arrange for enjoyable looking at experience without leaving actually decrease the knowledge that want to provide to you. The writer of Pest Control content conveys objective easily to understand by many people. The printed and e-book are not different in the written content but it just different in the form of it. So , do you continue to thinking Pest Control is not loveable to be your top checklist reading book?

#### **Leigh Brown:**

Information is provisions for folks to get better life, information presently can get by anyone with everywhere. The information can be a information or any news even a concern. What people must be consider when those information which is inside former life are difficult to be find than now is taking seriously which one would work to believe or which one the resource are convinced. If you receive the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Pest Control as the daily resource information.

#### **William Rocha:**

Playing with family in a very park, coming to see the ocean world or hanging out with pals is thing that usually you might have done when you have spare time, then why you don't try issue that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Pest Control, you are able to enjoy both. It is excellent combination right, you still need to miss it? What kind of hang type is it? Oh occur its mind hangout folks. What? Still don't buy it, oh come on its called reading friends.

#### **Wm Dunlap:**

Is it an individual who having spare time after that spend it whole day through watching television programs or just lying down on the bed? Do you need something new? This Pest Control can be the reply, oh how comes? A fresh book you know. You are so out of date, spending your free time by reading in this fresh era is common not a geek activity. So what these guides have than the others?
