Toddlers will have fun with this book at bath time. Each foam-padded page is constructed of sturdy, floatable vinyl, and shows a picture of a friendly animal. When kids dunk these books into the bath water they get a big surprise. A duck, a sheep, a frog, a butterfly, and a fish magically change their colors. When the pages dry out, the animals return to their original white. The book is packaged in a transparent plastic bag with a hanger card.
