Anabolics 2005 William Llewellyn

For more than fifteen years, William Llewellyn has made anabolic steroids his life's obsession! He's become the world's leading expert on the use of these drugs, and his ANABOLICS book is regarded as the undisputed mother of all steroid reference manuals! Pro bodybuilders, world-class powerlifters, Olympic competitors, and professional athletes alike have relied on ANABOLICS for the better part of a decade. It is the most authoritative source for steroid information – PERIOD!

The new HARDCOVER 2005 edition has more than **536 PAGES, 140 DRUG PROFILES** and close to **2,000 FULL-COLOR PICTURES** – the largest and most complete steroid reference guide ever!

- 1) **The Most Current Info!** This is the fourth edition of Anabolics because Llewellyn knows that old information is useless information! Fifteen years of industry contacts, a team of global researchers, and a dedication to staying on top of the market make this the only book to trust!
- 2) **Discover Designer Steroids like THG and Norbolethone!** Find out how these agents work, and why they are so sought after by competitive athletes! No book gets to the gritty underground of steroid use like Anabolics 2005!
- 3) **Find Health Saving Advice!** If you want your next cycle to be safe, read this book! For example, learn how some anti-estrogens help neutralize the cardiovascular side effects of steroids, while others make them MUCH worse! The 2005 edition is packed with important info you won't find anywhere else!
- 4) **Read Accurate Science!** While other writers rehash the same old mistakes of others, Llewellyn takes the science of steroids seriously. He spends page after page busting through some of the most common "steroid myths and misconceptions", and gets to the heart of true steroid science!
- 5) **Get Lab Results!** With independent laboratory analysis, we show you exactly what the popular steroid manufacturers are putting into their products. The results will SHOCK you!
- 6) **Investigate the Latest Steroids!** Dozens of HOT new companies like Animal Power, Norvet, Xelox, Nutri-Vet, Body Research, and WDV. Don't waste your money on books filled with ancient companies and outdated products you'll never see! Anabolics 2005 is hands down the most up-to-date book available!
- 7) **Outsmart the Counterfeiters!** Anabolics 2005 gives you step-by-step instructions for spotting the newest and most sophisticated fakes. See for yourself why Llewellyn is the most hated man in the steroid business... by the crooks!
- 8) **Get your PhD in Steroid Biochemisty!** Anabolics 2005 puts volumes of medical studies and anabolic research right at your fingertips! No other book looks at the true science of steroids so closely!
- 9) **View Over 2,000 Pictures of the latest black market gear** – more than any steroid book ever written! With Anabolics 2005 in hand you can identify nearly every product on the market – You'll be a global steroid expert!
- 10) **Learn What the Pro's Take, LITERALLY!** Llewellyn reveals the actual cycles used by some of the top professionals – he's personally consulted!
- 11) **Go Beyond Steroids!** Anabolics 2005 brings you to the cutting edge of performance enhancement, delving into the latest anabolic and thermogenic compounds athletes are using. Many agents you've probably never even heard of before!

This is all just a tiny fraction of what you'll get in this enormous 8.5" X 11" 500-plus page phonebook-sized hardcover reference manual! Llewellyn has put literally tens of thousands of hours of meticulous research and hardcore personal experience into Anabolics 2005, and created the most comprehensive, accurate and

up-to-date book in the history of steroids! This newest edition is worth its weight in gold!
