**Best Practice Tendering for Design and Build Projects** Professor Dr Alan Griffith, Andrew King, Andrew Knight

There is increasing pressure upon clients, in particular government departments and local authorities, to procure construction projects in a best practice manner. Design and Build is one procurement approach used extensively, both in the UK and worldwide; being recognised for its capability to deliver real value to both public and private sector clients.

The book is based on the findings of an Engineering and Physical Sciences Research Council (EPSRC) funded project.
