"Mandatory reading for anyone who cares about lesbians and gay men." Patricia A. Cain, Inez Mabie
Professor of Law, Santa Clara University
Everyday Law for Gays and Lesbians and Those Who Care about Them accessibly explains the myriad ways the law applies to and affects lesbian and gay lives. Written both concretely and clearly, each chapter opens with a vivid story about actual experiences of lesbians and gay men and then uses those experiences as a springboard for discussing the law. Using his personal and expert professional experience, Anthony Infanti makes complicated legal issues approachable, including marriage and its alternatives, bias crimes, the military, education, employment, housing, medical and tax planning, and parenting. Going beyond a mere summary of the law, this book provides both legal and nonlegal strategies for coping with and effecting positive change in the law as it affects the lives of lesbians and gay men. The book also contains an appendix with a list of useful resources for lesbians, gay men, and those who care about them.
