How Amazing (Cambridge Primary Mathematics) Charles Snape, Heather Scott
A companion to How Puzzling, this is another attractively designed collection of puzzles, secrets to unravel, mysteries and investigational activities with the theme of the maze as its starting point. Drawing on ancient myths and fables, art, architecture and poetry and accurate reconstructions of existing historical mazes around the world, this book's diversity of sources stimulates the reader to enter the tantalizing world of illusion and beguilement that lies at the heart of the maze.
