Melancholy (Words in Motion) (Volume 1) Donovan G. Ward

This is a short book of poems that has been written from all sorts of inspirations that impacted me. As the author of this book, I really hope to intrigue you with the way I word things. I set the keyboard ablaze with ideas, my hand cramped after a while. It is targeted for people who enjoy poetry, those who believe that they don't care for poetry, and those that aspire to be a writer someday. There is so much that words have to offer in general. Actions speak louder than words, but when your actions fail you words are there to save you. I believe there is nothing better than a book with gripping emotion, the ability to intrigue you, and make you wish to read on. This is the book for you. I wrote it to do that, writing is my passion and I have confidence in my writing to believe that you will like it. Enjoy!
