## **Mumbo Jumbo** Michael Roberts

Wizards, skeletons, spells, sorcerers, and dragons &Mac222;ll this second lavishly produced children's book by acclaimed New Yorker-cover artist Michael Roberts. In verse and in cutout collages, Roberts takes children on a mystical journey through the alphabet from "Abracadabra" to "Zombies."

For each letter in the alphabet, Roberts composes a full-page image created with scissors and colored paper. Across from each image, Roberts contributes a poem, ranging from the epigrammatic to the mini-epic. The poem for the letter Y goes like this:

I met a yeti  
in Tibet.  
Took him home  
to be a pet.  
Ate my friends  
and family.  
Think he's saving  
me for tea.

Then there's the one about Mabel the witch, the sneezing dragon, Pumpkin Man, and eyeball stew....

*Mumbo Jumbo* tickles and chills older kids with its witty verse and helps younger children learn the alphabet by matching up letters and pictures.
