How should men and women and God relate to one another? Letty Russell's answer is "partnership," understood in new ways as a relationship rooted in the life story of Jesus. Instead of concentrating on individuals as single entities, she develops the theme of the individual in partnership--both with God and with Others. She deals with the theological foundations of partnership and such practical concerns as lifestyles, human sexuality, education, church community life, and ministry. Her book speaks to the interests of churchwomen, feminists, students of theology, and the many who have studied her other books.
